US ports listed are for routine cruise ship inspection only. These inspections are solely unannounced and random and are not performed every 6 months. SSC inspection will only be as part of the random and more intensive CDC/VSP cruise ship sanitation inspection process and will not be made upon request. In addition, CDC/VSP will not inspect cargo ships.
Certificates issued at this port are issued electronically with unique identification numbers. Certificates can be verified by contacting the Australian National Maritime Centre on +61 8 8201 6185 or at maritimenc@agriculture.gov.au
